Sedgwick County to Hold Ribbon Cutting for New Household Hazardous Waste Facility

(Sedgwick County, Kansas) - Sedgwick County will be holding a Ribbon Cutting Ceremony for the new Household Hazardous Waste (HHW) Facility on Tuesday, October 1 at 2 p.m. The new HHW Facility is located at 801 Stillwell, just south of Kellogg on Seneca at the corner of Osage and Stillwell. Sedgwick County Commissioners will be in attendance to cut the ribbon and welcome the public to this new facility.

"This is a great service for Sedgwick County residents," said Chairman Ben Sciortino.

"The new Household Hazardous Waste Facility provides a free way for residents to dispose of their hazardous materials safely, which also helps to keep the environment safe and clean."
